Fegert, who withdrew his resignation when he was appointed chief of the finishing plant.

Miscellaneous

6. The planned television operations for the World Youth Festival did not take place, because the designing office in Berlin-Adlershof had not completed its work. The iconoscope which had been designed did not function.
7. On the occasion of the Eastern Zone meeting of the working intelligentsia (schaffende Intelligenz), Dr. Eckhardt of the OSW voiced public opposition to the opinion of SED members Professor Rompe and Steineck. Dr. Eckhardt refused to sign the special agreement for the technical intelligentsia (technische Intelligenz).
8. In OSW professional quarters, rumor has it that GEMAG- Koepenick is building a 1000 kW transmitter for the Eastern Zone.
9. In tests with OSW-designed receivers, OSW uses the Rias television test transmissions.
